kanishkamaingi.com

Passionate and result-oriented developer with a strong foundation in programming, web development and problem-solving techniques, along with a hands-on experience in full stack development. Skilled in designing scalable and efficient web applications, and bringing a great enthusiasm for learning new technologies as well as contributing to a dynamic environment. Ready to adapt to every sort of working environment and contribute effectively to a team.

EDUCATION

Sept 2023-Apr 2025 Computer Programming

Seneca Polytechnic

Named to the **President's Honor List** for Fall 2023 and Fall 2024, which demonstrates an outstanding academic achievement.

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Python, Javascript, Typescript, SQL
- **Frontend:** Next.js, React.js, TailwindCSS, HTML, CSS, DaisyUI, Framer Motion
- **Backend:** Node.js, Express.js, Firebase, RESTful APIs
- **Databases:** MongoDB, MySQL, Sanity, Sentry, PostgreSQL
- **Version Control & Deployment:** Git, Github, Codespaces, Bitbucket
- **Debugging & Tools:** VS Code, Turbo C++, Visual Studio
- **Other:** Data Structures & Algorithms, Command Line & Scripting

PROJECTS

StartWise

next.js, sanity, sentry,
markdown-it, next-
auth, tailwind, postCSS

- Developed StartWise, a directory for startup ideas using the latest features of **Next.js@15** and **React@19** such as **Suspense Tags** and **partial pre-rendering**
- Built a scalable and fast frontend using **Next.js**, **Tailwind CSS**, and **PostCSS**.
- Made use of **Sanity.io**, a headless CMS for content management.
- Implemented **NextAuth.js** for secure authentication and user access control.

Monster Arena

MongoDB, socketIO,
nodejs, express, bcrypt,
tailwindCSS, daisyUI

- Developed a full stack application with efficient database integration and an engaging, user-friendly design.
- In monster arena, users can create their own monsters, challenge opponents and modify and enhance their monsters to improve their performance.
- The project uses mongodb showcasing strong analytical skills, ensuring efficiency for storing user data.

To-Do List

React.js, Tailwind
CSS, Local Storage

- Developed a dynamic To-Do List app using **React.js** with a clean and responsive UI built with **Tailwind CSS**.
- Implemented **CRUD** functionality (Create, Read, Update, Delete) to allow users to manage tasks efficiently.
- Utilized Local Storage to persist tasks even after page refresh, enhancing user experience.

EXPERIENCE

**Nestle Nespresso
S.A.**

Nov 2024 - Present

Nespresso Coffee Advisor

- Engaged customers with personalized coffee recommendations, enhancing their shopping experience.
- Demonstrated and explained Nespresso machines and coffee products, increasing sales and brand awareness.
- Achieved **highest sales for January 2025 in Ontario East** region.
- Provided exceptional customer service, addressing inquiries and resolving concerns to maintain high satisfaction.

Seneca Hackathon

March 2024 - Apr
2024

Lead Frontend & Backend Developer

- Designed and developed a full-stack web application for a roommate finder platform using **React.js, Node.js, and MongoDB**.
- Led the **frontend** development, implementing a **responsive UI** with Tailwind CSS for a seamless user experience.
- Built and optimized **backend** services with **Express.js**, handling user authentication, data storage, and API integrations.
- Implemented a **MongoDB database** structure for efficient data retrieval and storage.
- Gained hands-on experience in **problem-solving, teamwork**, and rapid prototyping in a competitive environment.

**CDS | Costco
Wholesale**

Sept 2023 - Oct
2024

Sales Advisor

- Engaged with customers to **promote products**, drive sales, and enhance brand awareness.
- Delivered interactive product demonstrations, effectively communicating features and benefits.
- Provided exceptional customer service, addressing inquiries and guiding purchase decisions.
- Achieved and exceeded sales targets, contributing to increased revenue and product visibility.
- Managed inventory, organized displays, and ensured compliance with food safety protocols.
- Recognized as **Sales Advisor of the Month (Sept 2024)** for outstanding performance.
